

THE KAOS BROS

Four wheels / Four stories means that everything was played and recorded directly from 4 turntables and 2 mixers (and Alex is RMX in Space Monsters) by THE KAOS BROS. (DJs Kotanyi & Zervox) in one sound layer with no further manipulation - so please excuse small mistakes or unexpected technical acrobacy.

4 badroom live sets brings you to the 4 different, previously unheard worlds of sound and atmosphere, telling stories.

FOUR TURNTABLES - TWO MIXERS - FOUR HANDS - TWO BRAINS - FOUR TRACKS - TWO BROTHERS - FOR YOU.

Very special "origami" CD paper case.
Print it. Fold it. Use it. Love it.
Be careful! Paper is fragile material, make backup copy.
